WATERMAN

P A R I S

WATERMAN of Paris.

Skilfully made in France, WATERMAN pens creatively echo the genius of our founder Lewis Edson Waterman, inventor of the first reliable fountain pen in 1883.

Styled to surprise your senses.

No two WATERMAN pen designs are alike. As unique as you, each has its own personality and traits, with the power to delight, astonish, enchant and impress.

Designed to accessorize your imagination.

Through a clever curve, a reassuring line, or a head-turning encounter of noble materials, the Waterman spirit of innovation gives wings to your most fanciful thoughts.

Crafted to inspire your creativity.

Sensitive craftsmanship does more than put an object of sheer beauty and quality in your hand. It can produce a sensual thrill of inspiration each time you see, touch and use it.

Because when writing is a pleasure, wonderful things happen.

WATERMAN has an unequalled history of making writing a very special personal experience. Have you experienced it yourself?

Exception is a phenomenon of technical ingenuity. Conceiving a prestigious pen of this shape to not only look good, work brilliantly, but also feel sublime in the hand, took immense skill.
